St.Francis Way: Stage 2, Chiusi to Città di Castello - Italy

St.Francis Way: Stage 2, Chiusi to Città di Castello

6 days, PRICE FROM € 581

During the obscure times of the Middle Ages an enlightened man, **Saint Francis of Assisi**, walked along the ridges and valleys of the Apennines, looking for God's signs in nature and talking to people about peace, humility and brotherhood. His mystical figure fascinates many still today as his charisma and philosophy are respected all over the world.

On this trip you will walk the **st francis way from la verna**, following the paths Saint Francis covered during his frequent pilgrimages between the area of **La Verna** (where he received "the stigmata") and that of **Città di Castello**. Discover the traces of his passage, such as Franciscan hermitages, chapels and crosses, as you walk through the typical landscape of Tuscany and Umbria: **shady forests, orchards, olive groves** and fields of wheat and barley.

Apart from amazing natural and religious places, along the Franciscan path you will visit towns and villages of great history and culture, with many chances to taste traditional local recipes.
